### Course Objective:

This course combines two very exciting techniques of art making; Printmaking and Ceramics. Both of these techniques express a very hands-on approach to the creation and building of art works. **Homework Policies:**

While this is primarily a studio class, students may need to spend additional time outside of the classroom, depending on his/her designs. Class time will be given at the first 3-5 minutes of each class for sketch work. Additional time, which may be needed, will be homework.

**Classroom Policies:**

Each student has different creative abilities. By striving to always give your *best effort*, you will be successful in my art classroom. I expect well-executed, well-planned, and quality art projects completed through effort and time given to the project. Do not expect good grades on poorly planned and poorly made projects which reflect little time and effort.

**Expectations: \*Student Participation**

These are the guidelines for how I expect you to compose yourself in the art classroom. Everyone will have a fun and exciting time, if we can all remember to practice good "A.R.T."

**Attitude:** *the manner, feeling, position, etc., with regard to a person or thing*

Your attitude is a great reflection of your time spent working on your art project. Examples of how a "good" attitude is shown in the art classroom are;

- Being on time and prepared
- Being positive towards yourself and others
- Using your class time wisely and appropriately

**Respect:** *to show regard or consideration for; to hold in esteem or honor*

Ways you show respect in the art classroom are;

- Raise your hand to speak when lecture or directions are in process
- Be quiet and give your full attention to whoever is speaking (teacher or classmate)
- Keep your work area and tools clean
- Respect yourself, others, and school property

**Teamwork:** *cooperative effort on the part of a group of persons acting together on a team for a common cause*

- During clean-up, everyone is responsible to help complete the task
- Helping out a classmate or creative discussion is a great way to help someone out!

**Consequences:**

- 1) Verbal Warning and/or seat change
- 2) Parent Phone Call
- 3) Office Referral \*please note serious behavior issues may result in an immediate office referral. A 5th tardy will also result in an office referral.
