

# WHAT IS ARTSONIA?

This year at FMS the art department has taken the goal to creating a digital portfolio of all of our students' artwork. ARTSONIA is the world's largest online student art museum. It is a free, educational program for schools, teachers, and parents.

In order to take advantage of this *awesome* opportunity for your student, you need to login with the specific name assigned to your student and update with your email address and grant permission!

EXAMPLE:

Our school is a member of [Artsonia.com](http://Artsonia.com), an online student art museum. Artsonia manages school art galleries in a safe and educational manner, developing students' pride and self-esteem and involving parents and relatives in student arts education. We need your permission to include your child's artwork on our school's web gallery on Artsonia.

I grant permission to show my child's artwork on Artsonia, in accordance with Artsonia's terms & conditions of use\*. I understand that Artsonia preserves students' privacy by listing the artwork only under the student's first name and a number - last names are not revealed. I also understand that Artsonia only displays comments on artwork after the parent has reviewed them, and therefore agree to be notified via email when new comments are available to review. This permission covers the entire tenure of my child at this school.

\* Complete details on Artsonia's terms and conditions can be found at [www.artsonia.com/terms](http://www.artsonia.com/terms)
