

Comic strip checklist:

Before your comic strip project is complete, make sure you have everything checked off!

- Do you have 4-6 completed scenes to complete your comic strip story?
- The comic/images tell a full story, that you storyboarded.
- Is each scene/panel in your comic drawn correctly (fore, middle, & back grounds)?
- Each drawing fills the ENTIRE space of each scene/panel. good composition!
- There is at least 1 speech bubble.
- Detail, Detail, Detail (but remember its still a simple cartoon!)
- Everything is outlined with a black Sharpie.
- Each scene is colored neatly using colored pencils.
